VII.**PUBLIC DEBT.**

PUBLIC DEBT.

Under an Annex to the Convention of 4th June, 1878, between Great Britain and Turkey the former Power has undertaken to pay to the Porte annually a sum representing the excess of Revenue over Expenditure calculated on the average of the five years preceding the date of the Convention, excluding the produce of State and Crown lands let or sold during that period. The amount to be paid has been determined to be £87,686 per annum ; this to be in addition to 4,166,220 okes of Salt to be paid in kind.

The sum of £113. 11s. 3d. per annum has also become payable, under the same Annex, since the 4th September, 1884, when the Cyprus Government took over the administration of the Lighthouse Service in the Island. This sum represents 22% of the receipts of the Ottoman Lighthouse Administration which the Sublime Porte enjoyed under the concession granted the Company for lighting the Coast of Cyprus.

By a further Agreement of 3rd February, 1879, a further sum of £5,000 is to be paid annually to the Porte in respect of the produce of State lands.

A sum of £60,000 provided for by a loan has been expended on Irrigation, and £2,400 by way of Interest and Sinking Fund is provided in the annual Estimates. On 31st March, 1920, £47,023. 8s. 6d. was outstanding.

Further loans to the amount of £254,000 were obtained on account of the Famagusta Harbour and Railway, and £8,612 by way of Interest and Sinking Fund was provided in the annual Estimates, of which sum £8,610. 14s. was expended, as a further sum of £2,500 was contributed from the Locust Fund as its share of debt charges. On 31st March, 1920, £180,480 was outstanding.

In the Central Prison a service for Moslems is held on Fridays and on alternate Sundays a priest or layman attends and ministers to the members of the Greek Church. The attendance of the hodja has been regular and that of the priest and layman has been more frequent this year, viz.: on 18 occasions. A religious and general instructor (in addition to the priest or layman) appointed from 6th May, 1906, for Greek; also for Moslem. Attendance of Moslem and Greek teachers to school classes and for religious instruction has been regular. The Roman Catholic priest attended 5 times during the year.

Access is allowed to priests of all denominations. They are not apprised when prisoners are admitted, but notice would be given if prisoners expressed a wish to see them.
